

**Development Director  
Detroit RiverFront Conservancy**

The Detroit Riverfront Conservancy is seeking a candidate with 5+ years experience to develop and execute a comprehensive sponsorship strategy to support the Conservancy's operations, maintenance and programming initiatives. The Director will work closely with the Vice President of Development to administer and grow the Annual Fund program.

The successful candidate should have an undergraduate degree, references, excellent communication and writing skills, and demonstrated knowledge of fundraising databases, Excel and PowerPoint expertise. This is a full-time position with benefits reporting directly to the Vice President Development. Knowledge of the Detroit and southeastern Michigan giving environment is essential.
