A dissolution is not effective until the later of the end of the second calendar year after the vote for dissolution or all contractual liabilities of the Zone have been paid and discharged.

Upon dissolution of the Zone, the Board shall dispose of any remaining physical assets of the business improvement zone. The proceeds of any physical assets disposed of by the Zone and all money collected through assessments that is not required to defray the expenses of the Zone must be refunded on a pro rata basis to persons from whom assessments were collected. If the Board finds that the refundable amount is so small as to make impracticable the computation and refunding of the money, it may be transferred to the treasurer of the City (the “**City Treasurer**”) for deposit in the treasury of the City to the credit of the City general fund. Upon dissolution of the Zone, any remaining assets of the Zone must be transferred to the City Treasurer for deposit in the City treasury to the credit of the City general fund.
